Everybody will be delighted over the announcement that the popular "A Social Session" company will again appear in Carson, on Tuesday March 31st. ## DAVIS STILL AT LARGE.

The Authorities Fail to Find Him in Los Angeles.

Sheriff Bottsford, who went to Los Angeles a few days ago with a requisition for the arrest of A. H. Davis, indicted by the Grand Jury for rape, returned without his man.

He says that he received a dispatch from the Los Angeles authorities that they had located the man and the Sheriff started at once with the necessary papers.

Reaching Los Angeles he found that the authorities had not arrested him, having been thrown off the scent by parties interested in seeing him escape.

The Sheriff saw one of his daughters in Los Angeles who said they had received propositions from parties in Carson to settle it with money. The Sheriff states that he is positive that a dispatch was sent from this city, acquainting him of the action of the Grand Jury before he had time to communicate with the authorities of Los Angeles. The sheriff has secured a photograph of the fugitive and this, and a description of him will be sent over the country. The Sheriff still expects to capture his man if he remains in the United States.
